This may be evidenced by the pertinent attendance card or certificate issued by one of the legally authorised entities or any other manner permitted by law. Legal person shareholders must accredit sufficient authority evidencing the powers of the natural person through whom they are exercising their right of attendance.

All shareholders entitled to attend a General Meeting may be represented at the General Meeting by another person, who need not be a shareholder. Proxies must be granted in writing or by the remote means of communication specified below, and issued especially for each

General Meeting. The latter requirement shall not apply when the proxy holder is the spouse, ascendant or descendant of the principal, nor when the proxy holder has a general power of attorney by virtue of a public document vesting him/her with powers to administer all the assets that the principal owns in national territory. No shareholder may be represented by more than one proxy holder at a General Meeting.

Proxies issued by remote means of communication shall only be valid by post if (i) the attendance card issued by the depository entity is duly signed and completed by the shareholder; or (ii) the attendance card prepared by the Company, also duly signed by the shareholder and accompanied by certification from the depository entity, are mailed to the registered address. - b) By other electronic means, attaching an electronic copy of the attendance card and vote, provided the electronic document through which the right to vote is exercised includes a legally recognised electronic signature used by the shareholder intending to vote remotely, or other type of electronic signature considered suitable by the Board of Directors, based on a previous resolution adopted and published, that provides sufficient guarantees of authenticity and identification of the shareholder exercising their right to vote.*

To be valid, votes cast by these systems must be received by the Company at least 24 hours before the date scheduled for the General Meeting at first call. The Board of Directors may specify a shorter period for the receipt of remote votes.

Proxies issued by a shareholder before the shareholder casts their remote vote shall be deemed revoked. Those granted after shall be

deemed as not made. Personal attendance to the General Meeting by the shareholder issuing a proxy shall render the proxy void.

Any vote issued through remote means will be invalidated by subsequent and express revocation, within the period established for voting and using the same means for the vote or by attendance to the General Meeting of the shareholder issuing the vote.

I. Ratification, as appropriate, of the resolutions of the Board of Directors adopted at its meetings held on 21 December 2021 and 31 March 2022 regarding approval of the Share Appreciation Rights Plan for senior executives of the Company and its Rules, respectively.

To ratify the resolutions adopted by the Board of Directors at its meetings held on 21 December 2021 and 31 March 2022 regarding approval of a multi-year remuneration scheme for certain Company directors and managers based on increases in the Company's share price (the "Share Appreciation Rights Plan" or "SARP"), designed to maximise the engagement of those directors and managers with the Company's best interests by aligning their interests with those of the Company's shareholders, and to retain talent and strengthen their commitment to the Company's management bodies, and its regulations (the "**Regulations**").

The SARP is part of the GIGAS' transformation strategy followed in recent years (the "**Strategic Plan**"), during which the Company has made several strategic acquisitions in a move to become the first one-stop shop for Telecom and Cloud services and a convergent IT/Cloud/Telecom operator for businesses. The Company unveiled the Strategic Plan at the investors' presentation held in November 2020 in the lead-up to the Extraordinary General Meeting held on 17 November 2020. At that meeting, shareholders approved the monetary capital increase to fund the acquisitions made under the Strategic Plan (the "**Capital Increase**").

The SARP's main features were initially disclosed by the Company in the Complete Capital Increase Document (CCID) published in November 2020 in accordance with Circular 2/2020, of 30 July, on requirements and procedures applicable for capital increases in entities whose shares are listed for trading in the BME Growth segment of BME MTF Equity ("**Circular 2/2020**") as part of the Company's capital increases approved by shareholders at the Extraordinary General Meeting held on 17 November 2020. The SARP was later detailed in the Abridged Capital Increase Document published in 2021, as provided for in Circular 2/2020, as part of the Company's capital increase approved by shareholders at the Extraordinary General Meeting held on 19 May 2021.

Set out below is a summary of the SARP's main terms and conditions, which are governed by the Regulations approved by the Board of Directors at its meeting of 31 March 2021:

- a) Company managers and directors designated via a Board of Directors resolution based on the Company's strategic needs and following identification of the key positions required to deliver the Company's new Strategic Plan are eligible to take part in the SARP (the "**Participants**").
- b) The vesting period for the SARP incentive is five (5) years as of 23 November 2020 (the "**Reference Period**"), i.e. the closing date of the Capital Increase. Therefore, the SARP Reference Period ends on 22 November 2025.
- c) Without prejudice to paragraph b) above, any event resulting in a change of control of the Company ("**Liquidity Event**") that, for the purposes of the SARP, includes a transfer of Company shares representing 50% or more of the share capital with voting rights will trigger the early termination of the Plan.
- d) According to the SARP, each Participant will be granted a right to the appreciation of the Company's share price entailing payment of a cash incentive based on the Company's share price at the end of the Reference Period of the Plan or, where applicable, on the date of a Liquidity Event (the "**Final Share Price**") relative to the issue price of the Company's shares in the Capital Increase (i.e. EUR 6.25) (the "**Initial Share Price**").
- e) The Final Share price at the end of the Reference Period will be the simple average of the weighted average share price in euros of the Company's shares on the BME Growth segment of BME MTF Equity or any other regulated market or multilateral trading system on which the Company's shares are admitted to trading during the 40 trading days prior to the date of the end of the Reference Period. Meanwhile, the Final Share Price taken in the case of a Liquidity Event will be the share price in euros stipulated in the related transaction that gave rise to that Liquidity Event.

- f) The amount of the incentive each Participant is entitled to receive will be determined by applying a specific percentage assigned to the Participant to a total of 1,160,000 Company shares ("**Reference Options**").
- g) Vesting of the incentive will be subject to an acceptable minimum cumulative annual increase ("hurdle rate") of 10% in the Final Share Price as of the start of the Reference Period. If the SARP ends early due to a Liquidity Event, the 10% cumulative annual hurdle rate accrued will be calculated in proportion to the amount of time elapsed from the start of the Reference Period to the date of the Liquidity Event.
- h) Participants' right to receive the incentive is subject to their continuing and uninterrupted employment or business relationship with the Company until the earlier of the end of the Reference Period or the occurrence of the Liquidity Event.
- i) The amount of the incentive will be determined as the difference between the Final Share Price and the Initial Share Price times the number of Reference Options allocated by the Board of Directors to each Participant during the Reference Period.
- j) The Board of Directors may decide, at its own discretion, when determining the amount of the incentive to which the Participants are entitled, that the Company may pay all or part of that incentive via the delivery of new Company shares pursuant to a resolution to increase capital for a debt-equity swap to convert each Participant's claim against the Company held as a result of the vesting of the incentive as provided for in article 301 of the Spanish Companies Act. In any event, such resolution would be subject to approval by shareholders in General Meeting.
- k) Pursuant to Article 217.3 of the Spanish Companies Act, if any of the Company's executive directors is designated as a Participant, the Board of Directors shall submit, for approval by shareholders in General Meeting, a new maximum annual remuneration for all directors so that it includes the amounts that those executive directors could receive as variable remuneration linked to the value of the Company's shares.

- a) To designate the Participants, including, where applicable, Participants who are members of the Company's Board of Directors during the term of the SARP, and assign to them the Reference Options, establishing, where appropriate, any additional terms and conditions that the Participants must comply with, and, where appropriate and warranted, revoking such designations and assignments made previously;
- b) To establish any other terms and conditions of the SARP not provided for in this resolution or the Regulations;
- c) To decide not to execute the SARP or render it partially or fully without effect;
- d) To draft, sign or enter into and present any public or private communications or documents, and supplementary documents that may be necessary or expedient before any public or private body to implement, execute or settle the SARP;
- e) To draft and publish as many notices as deemed necessary or expedient regarding the SARP;
- f) To perform any act, make any representation or complete any formality before any Spanish or foreign public or private body or institution to secure the necessary authorisations or verifications to implement, execute or settle the SARP;
- g) To negotiate, agree and enter into any contracts or agreements deemed expedient with any entities and, where appropriate, the Participants to execute the SARP, under the terms and conditions deemed appropriate;
- h) To evaluate the level of achievement of the targets to which compliance with the SARP is linked and to settle payment, for which it may engage a third party, as necessary, to provide advice;

- i) To draft, enter into, grant and, where appropriate, certify any type of document related to the SARP;
- j) To adapt the content of the SARP to any circumstances and corporate transactions that may arise during its term, in the terms and conditions considered necessary or expedient at any given time to maintain the purpose of the SARP; and
